Agricultural lands, whether within the corporate limits of a city or not, which were platted and assessed as agricultural property prior to March 30, 1981, must be assessed as agricultural property for ad valorem property tax purposes until put to another use. - e. ~~Information identifying the estimated property tax savings that will be provided pursuant to section 57-20-07.1 based on the best information available;~~
 - f. A statement that there will be an opportunity for citizens to present oral or written comments regarding each taxing district's property tax levy; and

Delivery of written notice under this section must be by personal delivery to the property owner, mail addressed to the property owner at the property owner's last-known address, or electronic mail to the property owner directed with verification of receipt to an electronic mail address at which the property owner has consented to receive notice. If a parcel of taxable property is owned by more than one owner, notice must be sent to only one owner of the property. Failure of an owner to receive a notice under this section will not relieve the owner of property tax liability or modify the qualifying date under section 57-20-09 for which an owner may receive a discount for early payment of tax.
 4. The tax commissioner shall prescribe suitable forms for written notices under this section.
 5. The direct cost of providing taxpayer notices under this section may be allocated in a manner proportionate to the number of notices mailed on behalf of each taxing district that intends to levy in excess of one hundred thousand dollars in property taxes in the current year.

SECTION 22. A new section to chapter 57-15 of the North Dakota Century Code is created and enacted as follows:

Limitation on levies by taxing districts without voter approval.

1. a. Notwithstanding that a taxing district may have unused or excess levy authority under any other provision of law, this section supersedes and limits that authority. This section may not be interpreted as authority to increase any property tax levy authority otherwise provided by law and must be applied to limit any property tax levy authority to which a taxing district may otherwise be entitled. Property taxes levied in dollars by a taxing district may not exceed the greater of the base year

1 levy increased by the allowable percentage limit or the adjusted year levy
2 increased by the allowable percentage limit.

3 b. Excluding any negative excess percentage increase, a taxing district may carry
4 forward an excess percentage increase to be used in any of the five succeeding
5 taxable years. An excess percentage increase may be used only once to
6 increase the limitation under subdivision a and may not be carried forward
7 beyond five taxable years. The oldest unused excess percentage increase must
8 be applied first.

9 2. The limitation under subsection 1 does not apply to:

10 a. New or increased property tax levy authority that becomes available to the taxing
11 district in the current taxable year resulting from:

12 (1) A change in state law.

13 (2) Approval by the electors of the taxing district.

14 b. Property tax levy authority increased above zero mills in the current taxable year
15 by the governing board of the taxing district, provided the levy authority was not
16 previously used.

17 c. Any irrepealable tax to pay bonded indebtedness levied under section 16 of
18 article X of the Constitution of North Dakota.

19 d. The one-mill levy for the state medical center authorized by section 10 of article X
20 of the Constitution of North Dakota.

21 e. The levy, not to exceed one mill, for the Garrison Diversion Conservancy District,
22 authorized by section 57-15-26.8.

23 f. Taxes or special assessments levied to pay the principal and interest on any
24 obligations of any political subdivision, including taxes levied for deficiencies in
25 special assessment and improvement district funds and revenue bond and
26 reserve funds.

27 g. Taxes levied pursuant to law for the proportion of the cost to any taxing district for
28 a special improvement project by general taxation.

29 h. Taxes levied under sections 40-24-10, 40-43-01, 57-15-28, 57-15-41, and
30 57-15-48 and chapter 61-16.1.

31 i. Taxes levied, up to eighteen mills, under section 57-15-20.

- 1 3. A majority of the qualified electors in a taxing district voting on the question at a
2 statewide general election may approve a property tax levy exceeding the limitation
3 under subsection 1 for four taxable years at a time, beginning with the taxable year
4 after the general election during which the ballot measure was approved. The ballot
5 measure must state the proposed percentage increase and the proposed dollar
6 amount increase exceeding the limitation under subsection 1.
- 7 4. For taxable year 2025, a city may levy an amount equal to the amount levied in dollars
8 in the preceding taxable year under sections 40-05-19 and 57-15-42 as part of the levy
9 under section 57-15-08 without including the dollars levied for this purpose as part of
10 the limitation under subsection 1.
- 11 5. A city or county may not supersede or modify the application of this section under
12 home rule authority.
- 13 6. For purposes of this section:
 - 14 a. "Adjusted year levy" means amount of property tax levied in dollars by the taxing
15 district in the preceding taxable year adjusted as follows:
 - 16 (1) When property and improvements to property which were not taxable in the
17 preceding taxable year are taxable in the current year, the amount levied in
18 dollars in the preceding taxable year by the taxing district must be increased
19 to reflect the taxes that would have been imposed against the additional
20 taxable valuation attributable to that property at the mill rate applied to all
21 property in the preceding taxable year, excluding the mill rate associated
22 with:
 - 23 (a) Any irrevocable tax levied to pay bonded indebtedness levied under
24 section 16 of article X of the Constitution of North Dakota.
 - 25 (b) A tax levied for the one-mill levy for the state medical center
26 authorized by section 10 of article X of the Constitution of North
27 Dakota.
 - 28 (2) When a property tax exemption existed in the preceding taxable year which
29 has been reduced or no longer exists for the current taxable year, the
30 amount levied in dollars in the preceding taxable year by the taxing district
31 must be increased to reflect the taxes that would have been imposed

1 against the portion of the taxable valuation of the property which is no
2 longer exempt at the mill rate applied to all property in the preceding taxable
3 year, excluding the mill rate associated with:

4 (a) Any irrevocable tax levied to pay bonded indebtedness levied under
5 section 16 of article X of the Constitution of North Dakota.

6 (b) A tax levied for the one-mill levy for the state medical center
7 authorized by section 10 of article X of the Constitution of North
8 Dakota.

9 (3) When property that was taxable in the preceding taxable year is not taxable
10 for the current taxable year, the amount levied in dollars in the preceding
11 taxable year by the taxing district must be reduced by the amount of taxes
12 that were imposed against the taxable valuation of that property in the
13 preceding taxable year.

14 (4) When a temporary mill levy increase, excluding an increase under this
15 section, authorized by the electors of the taxing district or mill levy
16 imposition authority under state law existed in the preceding taxable year
17 but is no longer applicable or has been reduced, the amount levied in
18 dollars in the preceding taxable year by the taxing district must be adjusted
19 to reflect the expired temporary mill levy increase and the eliminated or
20 reduced mill levy under state law before the percentage increase allowable
21 under this subsection is applied.

22 b. "Allowable percentage limit" means three percent.

23 c. "Base year levy" means the highest amount of property tax levied in dollars by a
24 taxing district in the three taxable years immediately preceding the current
25 taxable year.

26 d. "Excess percentage increase" means the difference, rounded to the nearest
27 hundredth of a percent, between:

28 (1) The allowable percentage limit; and

29 (2) The difference between the actual amount of property tax levied in dollars
30 and the greater of the base year levy or the adjusted year levy with the

resulting difference under this paragraph divided by the greater of the base
year levy or adjusted year levy.

e. "Proposed percentage increase" means the difference, rounded to the nearest
hundredth of a percent, between:

(1) The difference between the amount of property tax in dollars proposed to be
levied by the governing board of the taxing district and the greater of the
base year levy or the adjusted year levy with the resulting difference under
this paragraph divided by the greater of the base year levy or adjusted year
levy; and

(2) The allowable percentage limit.

f. "Taxing district" means any political subdivision empowered to levy taxes.

SECTION 23. AMENDMENT. Section 57-20-07.1 of the North Dakota Century Code is
amended and reenacted as follows:

57-20-07.1. County treasurer to mail real estate tax statement - Contents of statement.

1. On or before December twenty-sixth of each year, the county treasurer shall mail a real estate tax statement to the owner of each parcel of real property at the owner's last-known address. The form of the real estate tax statement to be used in every county must be prescribed and approved for use by the tax commissioner. The statement must be provided in a manner that allows the taxpayer to retain a printed record of the obligation for payment of taxes and special assessments as provided in the statement. If a parcel of real property is owned by more than one individual, the county treasurer shall send only one statement to one of the owners of that property. Additional copies of the tax statement will be sent to the other owners upon their request and the furnishing of their names and addresses to the county treasurer. The tax statement must:
 - a. Include a dollar valuation of the true and full value as defined by law of the property and the total mill levy applicable.
 - b. Include, or be accompanied by a separate sheet, with three columns showing, for the taxable year to which the tax statement applies and the two immediately preceding taxable years, the:

(1) The property tax levy in dollars against the parcel by the county and school district and any city or township that levied taxes against the parcel.

(2) The amount of property tax levied as a result of voter-approved levy authority, which must be separately stated for each taxing district that levied property tax as a result of voter-approved levy authority.

c. Provide information identifying the property tax savings provided by the state of North Dakota. The tax statement must include a line item that is entitled "legislative tax relief" and identifies the dollar amount of property tax savings realized by the taxpayer under chapter 50-34 for taxable years before 2019, chapter 50-35 for taxable years after 2018, and chapter 15.1-27.

(1) For purposes of this subdivision, legislative tax relief under chapter 15.1-27 is determined by multiplying the taxable value for the taxable year for each parcel shown on the tax statement by ~~the number of mills of mill levy reduction grant under chapter 57-64 for the 2012 taxable year plus the number of mills determined by subtracting from the 2012 taxable year mill rate of the school district in which the parcel is located the lesser of one hundred twenty-five mills or the sum of:~~

(a) ~~Fifty mills~~ The number of mills of mill levy reduction grant under chapter 57-64 for the 2012 taxable year; or and

(b) The 2012 taxable year mill rate of the school district ~~minus~~ excluding sixty mills.

(2) Legislative tax relief under chapter 50-35 is determined by multiplying the taxable value for the taxable year for each parcel shown on the tax statement by the number of mills of relief determined by dividing the amount calculated in subsection 1 of section 50-35-03 for a human service zone by the taxable value of taxable property in the zone for the taxable year.

d. Provide information identifying the primary residence credit, including information regarding the portion of the credit derived from funding distributed from the legacy fund.

(1) The statement must include a separate line item identifying the primary residence credit realized by the taxpayer for each taxable year shown.

(2) The statements must include a separate line item or conspicuous description identifying the portion of the credit derived from funding distributed from the legacy fund.

(a) The dollar amount of the primary residence credit derived from funding distributed from the legacy fund is calculated as the product of the total amount of the primary residence credit realized by the taxpayer in a taxable year multiplied by the applicable percent.

(b) By November first of each year, the tax commissioner shall notify each county auditor of the applicable percent to be used for the calculation in paragraph a for the current and prior two taxable years.

(c) For purposes of this paragraph, "applicable percent" means the percent, rounded to the nearest hundredth of a percent, calculated as the quotient of the amount allocated to the legacy property tax relief fund from the legacy earnings fund for the primary residence credit pursuant to section 5 of this Act divided by the total amount appropriated from the legacy property tax relief fund for the primary residence credit, using the allocations and appropriations for the relevant tax years.

2. Failure of an owner to receive a statement will not relieve that owner of liability, nor extend the discount privilege past the February fifteenth deadline.

SECTION 24. REPEAL. Sections 21-10-12 and 21-10-13 of the North Dakota Century Code are repealed.

SECTION 25. APPROPRIATION - TRANSFER - GENERAL FUND TO LEGACY PROPERTY TAX RELIEF FUND - INFORMATION ON PROPERTY TAX STATEMENTS - TAX COMMISSIONER.

Of the \$473,000,000, \$74,601,793 is from the general fund pursuant to subsection 1, and \$398,398,207 is from the legacy earnings fund.

3. Pursuant to section 57-20-07.1, the tax commissioner shall notify each county auditor that the applicable percent for taxable years 2025 and 2026 is 84.23 percent, which reflects the portion of the primary residence credit derived from funding distributed from the legacy fund.

SECTION 26. APPROPRIATION - TAX COMMISSIONER - HOMESTEAD TAX CREDIT.

There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$5,450,000, or so much of the sum as may be necessary, to the tax commissioner for the purpose of the state reimbursement of the homestead tax credit, for the biennium beginning July 1, 2025, and ending June 30, 2027.
